The grant holder will benefit from health insurance, supported by INESC TEC.

2. OBJECTIVES:

1. Define the sample and construction of the reference mental model (expert elicitation);
2. Data collect and analyse (fieldwork, namely interviews conducted in rural spaces);
3. Validate mental models (personal surveys);
4. Elaborate the risk communication proposal.

3. BRIEF PRESENTATION OF THE WORK PROGRAMME AND TRAINING:

As part of the FIRE-RES project, the grantee will have to develop tasks with the aim of designing an effective risk communication plan for leisure activities, targeting the rural population in the context of forest fires. The work will be developed by exploring the reasons adjacent to resistance to behavioral change and defining guidelines to support the design of new risk communication strategies, including the dissemination of new behaviors that mitigate rural fires. This research will follow a mental models approach proposed by Morgan (2001).

4. REQUIRED PROFILE:

Admission requirements:

Hold a Master's degree in Service and Management Engineering, Industrial Engineering and Management, Service Management, or related fields.

The awarding of the fellowship is dependent on the applicants' enrolment in study cycle or non-award courses of Higher Education Institutions.

Preference factors:

Previous experience in publishing scientific articles in outlets ranked in the Journal of Citation Reports first quartile. Experiência com a metodologia de modelos mentais proposta por Morgan (2001).

Minimum requirements:

Publications and presentations at international conferences related to the grant topic. Fluency in Portuguese and English.

5. EVALUATION OF APPLICATIONS AND SELECTION PROCESS:

Selection criteria and corresponding valuation: the first phase comprises the Academic Evaluation (AC), based on the criteria referred to in Article 12 of the [Regulations for Grants of INESC TEC](#), while the second phase comprehends the Individual Interview (EI). All factors are evaluated on a scale of 0 to 100, taking into account the applicants' merit, suitability and conformity with the preference factors.

The weight of the AC factors are as follows: Academic Qualifications (FA, 20%), Scientific Publications (PC, 35%), Experience (EX, 35%) and Motivation Letter (CM, 10%).

Candidates who score less than 50 points in the AC average will be considered excluded on absolute merit. The top five candidates approved on absolute merit will be qualified for the individual interview. The Final Grade (CF) is obtained by the weighted average of AC (70%) and EI (30%).

The Selection Jury is composed of the following members:

President of the Jury: Abílio Pereira Pacheco

Full member: Jorge Daniel Teixeira

Full member: Vera Miguéis
