Scientific Advisor:	Rita Ribeiro Barros
Duration of the contract:	from 2024-03-21 to 2025-03-20, eventually renewable.
Location:	INESC TEC, Porto, Portugal

Job description:

Work Area: Legal Sciences
Project overview: Legal Officer for Research Institution (Legal Service) 1) To provide legal support in matters of civil and commercial law, administrative law and labour law, ensuring compliance with Portuguese and European legislation; 2) Drafting, reviewing and negotiating contracts, agreements and other business or legal instruments; 3) Providing legal support in negotiations and interactions with external interlocutors, proposing proactive solutions and guidance, particularly in the context of national and international R&D projects and litigation prevention; 4) Collaborating with other internal teams to ensure that legal considerations are integrated into the strategy outlined by the Institution and to ensure that information is collected and made available in a reliable, fluid and satisfactory manner; 5) Keeping up to date with changes in Portuguese and European legislation relevant to INESC TEC's daily life as an R&D institution with specific characteristics.
Objectives: To provide legal support to research institutions, through the study and application of the national, European and international legal framework relating to Research Institutions in all its aspects, from institutional to contractual activity and people management, in order to ensure the fulfilment of the institution's legal obligations and the defence of its interests, as well as contributing to the fulfilment of INESC TEC's purpose.

Academic Qualifications:	Degree in Law
Minimum profile required:	Knowledge and mastery of the Portuguese legal system Excellent command of the Portuguese and English languages, both spoken and written 2 years' experience in a similar or relevant position
Preference factors:	1) Master's degree in Law in the areas of Commercial/Business Law or Administrative Law; 2) Specialised training or experience in Law and Technology or Intellectual Property Law; 3) Training and/or practice in legal English; 4) Experience in providing legal support to research institutions or companies; 5) Interest in and previous contact with technological areas.

Funding Entity:	
Type of contract:	fixed-term contract
The hiring shall be governed by what is stipulated in the legislation in force regarding fixed-term employment contracts and by INESC TEC norms.	

Selection criteria:	The selection of the candidates will be based on the following criteria, in descending order of consideration: a) Relevant Curriculum in the concerned field of this tender b) Proven experience.
Disability Incentive:	Candidates who present a degree of disability equal to or greater than 90% will benefit from an incentive (20) in the score of the CV Assessment. Candidates who present a degree of disability equal to or greater than 60% and less than 90% will also benefit from an incentive (10) in the score of the CV Assessment. Said score may, in these cases, exceed 100 points. Candidates must demonstrate the degree of disability during the application, namely through the submission of the Multi-Purpose Medical Certificate of Disability, issued in accordance with Decree-Law no. 202/96, of October 23 - currently in effect. Candidates must declare, in the application form, the type of disability used throughout the selection process, in order to proceed with the required adaptations.

Selection Jury:	President of the Jury: Rita Ribeiro Barros; Member: Maria da Graça Barbosa; Member: Ana Margarida Pereira;
Notification of results:	The results of the selection process will be sent to the interested by electronic mail.
