City:	Porto
Research field:	Main: COMPUTER SCIENCE
	Sub: Computer Systems

Job summary:

INESC TEC is accepting applications for 1 RESEARCHER job in the System Administration	
Scientific Advisor:	Jaime Dias
Duration of the contract:	from 2024-04-01 to 2025-03-31, eventually renewable.
Location:	INESC TEC, Porto, Portugal

Job description:

Work Area: System Administration

Project overview: The activity will focus on the administration of existing systems and the installation and configuration of an object storage infrastructure (S3) and an MLOps infrastructure.

Objectives: By the end of the contract, the contractor will have acquired a global vision and consolidated knowledge of the systems provided by the service. He/she will also have acquired knowledge of and actively participated in the installation and configuration of an object storage infrastructure (S3) and an MLOps infrastructure.

Academic Qualifications:	Degree in Computer Engineering or similar.
Minimum profile required:	- Linux system administration experience
	- Docker and Kubernetes platforms administration experience
	- GitOps experience
	- knowledge of computer networks
	- proficiency in Portuguese and English (spoken and written).
Preference factors:	- MS Windows system administration experience
	- DevOps experience
	- MLOps experience
	- OpenStack experience
	- Ansible experience
	- computer security experience

Funding Entity:	
Type of contract:	fixed-term contract
The hiring shall be governed by what is stipulated in the legislation in force regarding fixed-term employment contracts and by INESC TEC norms.	

Selection criteria:	The selection of the candidates will be based on the following criteria, in descending order of consideration:
	a) Relevant Curriculum in the concerned field of this tender
	b) Proven experience.
Disability Incentive:	Candidates who present a degree of disability equal to or greater than 90% will benefit from an incentive (20) in the score of the CV Assessment.
	Candidates who present a degree of disability equal to or greater than 60% and less than 90% will also benefit from an incentive (10) in the score of the CV Assessment.
	Said score may, in these cases, exceed 100 points.
	Candidates must demonstrate the degree of disability during the application, namely through the submission of the Multi-Purpose Medical Certificate of Disability, issued in accordance with Decree-Law no. 202/96, of October 23 - currently in effect.
	Candidates must declare, in the application form, the type of disability used throughout the selection process, in order to proceed with the required adaptations.

Selection Jury:	President of the Jury: Gabriel David;
	Member: Jaime Dias;
	Member: Ademar Aguiar;
Notification of results:	The results of the selection process will be sent to the interested by electronic mail.
Application period:	From 2024-02-15 to 2024-02-29
Application submission:	Electronic form filling in www.inesctec.pt in the section Work with Us
