

## CALL FOR APPLICATIONS: RESEARCHER

### Job/position/grant:

<b>Job reference:</b>	AE2025-0191 ( HASLAB-Geral - HASLAB ) INESC TEC - Instituto de Engenharia de Sistemas e Computadores, Tecnologia e Ciência
<b>Job/position/grant:</b>	RESEARCHER
<b>City:</b>	Braga
<b>Research field:</b>	Main: COMPUTER SCIENCE Sub: Computer Systems

### Job summary:

**INESC TEC is accepting applications for 2 RESEARCHER job in the Computer Science**

<b>Scientific Advisor:</b>	Ana Nunes Alonso
<b>Start Date:</b>	2025-06-01
<b>Location:</b>	Braga

### Job description:

**Work Area:** Computer Science

**Project overview:** The work plan addresses the needs in current Research and Development (R&D) projects in INESC TEC to build software prototypes with high assurance and interoperability guarantees, that can leverage from the ecosystem of cloud service providers. The specific objectives are detailed in the objectives section.

**Objectives:** (a) Identification of software requirements;

(b) Design, specification and development of middleware, backend and frontend software systems (Full Stack Developer);

(c) Daily operations in maintaining, deploying and assessment of software (e.g., use of virtualization and containers) in cloud service providers and local infrastructures;

(d) Design, specification and development of benchmarking software systems for evaluation of prototypes;

(e) Test and integration of software components with systems from external partners; (f) writing and management of documentation for the software components;

(g) participation and representation of the developments in physical or remote meetings with project partners.

**Academic Qualifications:** MSc in Informatics Engineering, Computer Science or alike

**Minimum profile required:**

- a) Knowledge and experience in the development of Java applications;
- b) Knowledge and experience with orchestration tools in cloud providers;
- c) Knowledge and experience with relational and non-relational database management systems;
- d) Knowledge and experience with the following virtualization/orchestration tools: Ansible, Docker, Kubernetes;
- e) Knowledge and experience with Linux operating systems;
- f) Language skills (written and spoken) for Portuguese and English.

**Preference factors:**

- g) Knowledge and experience with Spring and/or Angular Boot Framework;
- h) Knowledge and experience with Rest APIs;
- i) Knowledge and experience with PostgreSQL and MongoDB;
- j) Knowledge and proven experience in the design and development of benchmarking systems for data management systems targeting the edge and the cloud.

**Funding Entity:**

**Type of contract:** Uncertain term contract

The hiring shall be governed by what is stipulated in the legislation in force regarding uncertain term employment contracts and by INESC TEC norms.

**Selection criteria:**

The selection of the candidates will be based on the following criteria, in descending order of consideration:

- a) Relevant Curriculum in the concerned field of this tender
- b) Proven experience.

**Disability Incentive:**

Candidates who present a degree of disability equal to or greater than 90% will benefit from an incentive (20) in the score of the CV Assessment.

Candidates who present a degree of disability equal to or greater than 60% and less than 90% will also benefit from an incentive (10) in the score of the CV Assessment.

Said score may, in these cases, exceed 100 points.

Candidates must demonstrate the degree of disability during the application, namely through the submission of the Multi-Purpose Medical Certificate of Disability, issued in accordance with Decree-Law no. 202/96, of October 23 - currently in effect.

Candidates must declare, in the application form, the type of disability used throughout the selection process, in order to proceed with the required adaptations.

<b>Selection Jury:</b>	President of the Jury: Ana Nunes Alonso; Member: Fábio André Coelho; Member: António Luís Sousa; Substitute member: João Tiago Paulo;
<b>Notification of results:</b>	The results of the selection process will be sent to the interested by electronic mail.
<b>Application period:</b>	From 2025-05-02 to 2025-05-15
<b>Application submission:</b>	Electronic form filling in <a href="http://www.inesctec.pt">www.inesctec.pt</a> in the section <a href="#">Work with Us</a>
